Pioneer JOAD Mission Statement

The objective of Pioneer JOAD Club is to advance the sport of archery through education and training, as well as the promotion of youth, family, and individual archery participation. We seek to strengthen the spirit of archery through the following:

- dedication to training
- comraderie
- fellowship
- etiquette
- sportsmanship

We welcome new archers to our club who have the desire to improve their archery skills. By using the National Training System (NTS) as a foundation for our instruction, we strive to provide our archers with an environment in which they can reach their fullest potential.

What is JOAD?

Junior Olympic Archery Development (JOAD) is a program of USA Archery that teaches archery to young people, provides great opportunities for awarding achievement, and helps archers to enjoy the sport recreationally or progress to the excitement of competition!

JOAD offers both recurve and compound archers the opportunity to learn range safety and proper shooting technique in an environment that also fosters focus, increased self-confidence, and team building skills. JOAD is open to any youth archer aged 8 to 20 and is designed to grow with the youth archer. Introductory JOAD classes teach the fundamentals of proper shooting form; as the young archer develops, they will learn more advanced techniques.

Both recurve and compound bows are used in club activities and in tournaments. JOAD archers who use a compound bow can train to compete in local and regional tournaments, and can earn a seat on a youth world team to compete in other countries representing the United States on behalf of USA Archery. Recurve archers can compete likewise, with the added benefit of being able to use their recurve bow to try out for a spot on the US Olympic Archery team which is selected and managed by USA Archery.

Whether your child's interest is purely recreational or an Olympic, Paralympic or World Championship dream, USA Archery's JOAD program is tailored to help the young archer achieve their goals.

Attendance Requirements

We understand that our archers and families have busy lives but encourage our archers to shoot as regularly as possible to maximize their potential. Archery is a perishable skill and missing training lessons will significantly reduce an archers performance. We ask that you please notify us of any absences by email....thank you.

Pioneer JOAD archers are expected...

- To respect the coaches, volunteers, and especially each other.
- To behave in a safe and appropriate manner.
- To participate in all activities with a positive attitude.
- To arrive early (30 mins) before each lesson to register and set-up their equipment. If you're not early...you're late!
- To wear Pioneer JOAD uniform to ALL lessons, pin shoots and tournaments. Uniform is Khaki pants/shorts and Pioneer JOAD polo shirt.
- To be knowledgeable about own equipment and communicate with Coaches if any issues arise.

Other programs we offer...

Pioneer JOAD Tournament Team

When:- Wednesday nights from 6:00pm - 8:00pm

This JOAD program is for our more advanced archers who are serious about competing and is an 'invitation only' program. Members for this team are selected from our Monday night JOAD program.

Pioneer Adult Achievement Program

When:- Third Saturday of every month 1:00pm - 3:00pm

Private Coaching

Private coaching is available from our Level 4 coaches
